Membership

I, _____, the undersigned, have recently submitted an application for Membership to the Glens Falls Country Club ("the Club") dated _____.

In connection with my aforementioned application for a golf membership, I am aware that the regular Initiation fee has been waived. In consideration of said waiver of initiation it is hereby expressly acknowledged and agreed that I shall be fully responsible for any and all dues, assessments and/or minimum expenditure requirements payable to the Club for a twelve (12) month period from the date of my acceptance as a Member . In that regard, I fully understand and agree that in the event I choose to terminate my membership, I will remain responsible to pay any amounts due, or to become due, during said 12-month period.

I have willingly accepted the waiver of initiation as outlined above in exchange for my commitment to remain a member for a minimum of 12 months, or, alternatively, to pay equivalent, dues, fees, assessments and/or minimums as might come due during said months . I further recognize that any letter of resignation which I submit within the first twelve months of membership may be rejected by the Club's Board of Governors until such time as I pay any remaining amounts owed under this agreement.
